RE: Correction of message 4217305, dated 08/05/2014 concerning the antidumping duty order on multilayered wood flooring from China (A-570-970)

1. This is a correction to message 4217305, dated 08/05/2014, to correct paragraphs 3 and 5. We are correcting the second sentence in paragraph 3 by removing the words “produced and/or” and including the phrase “and entered, or withdrawn from warehouse, for consumption during the period...” We are also correcting paragraph 5 by removing the words “produced and/or”.
 2. Paragraphs 3 and 5 of message 4217305 contain incorrect information about entries of multilayered wood flooring from the People’s Republic of China. Below is the fully corrected message.
 3. On 05/09/2014 (79 FR 26712), Commerce published in the Federal Register the final results of its administrative review of the antidumping duty order on multilayered wood flooring from the People’s Republic of China. See message 4135301, dated 05/15/2014.
 4. On 06/20/2014 (79 FR 35314), Commerce published in the Federal Register the amended final results of its administrative review of the antidumping duty order on multilayered wood flooring from the People’s Republic of China. See message 4181303, dated 06/30/2014.
 5. As a result of Commerce’s amended final results of administrative review, the cash deposit rates have been revised for certain companies. Therefore, CBP is authorized to collect the difference in cash deposits for entries of multilayered wood flooring from the People’s Republic of China exported by the entities listed in paragraph 4 and entered, or withdrawn from warehouse, for consumption during the period 05/09/2014 (day of publication of original final results) through 06/19/2014 (day before publication of amended final results). CBP should calculate the amount to collect by determining the difference between the amount of cash deposit paid as a result of the application of the cash deposit rate in the final results and the amount due as a result of the application of the cash deposit rate in the amended final results.
 6. Listed below are the deposit rate(s) that were assigned to certain companies in the final results of review (see message 4135301, dated 05/15/2014) and the deposit rate(s) that were assigned in
